OUR OFFERING

Afrisist offers a wide array of comprehensive services for our clients because we know that one size does not fit all. These services are aimed at protecting assets, providing peace of mind, as well as increasing customer satisfaction and loyalty. Our customers' success stems from our tailor made solutions and hands on approach. Our team of experts partner with you to ensure that your clients are always covered and protected nationwide, 24 hours a day, 7 days a week.

A successful journey and your safety is our business. We take that mantra very seriously and we are intensely proud of what we do. For the past 2 decades we've been setting the industry standard for vehicle monitoring and recovery services. A respected brand with thousands of successful vehicles recovered equating to a value of over R1 billion. Our proudest accomplishment is the large number of long term clients who year after year put their trust in us.
